 - Any one can set up independent chat group or WhatsApp group to coordinate
 - Still want folks to be directed to Let's Play to coordinate over all play times/activities
 - Some groups will discontinue with transition to PC
 - Erik will start new WhatsApp Groups for Monday Night Drills at PC
5. Signage at Crawford
 - Notice for rotating off courts when paddles are waiting; hopefully working but courts are significantly impacted on Mond-Thursday evenings after 7pm
 - Question of whether WAPA signage can go up
